50			2400x1200x25	K28-A13007-PE-02	525.00		K28-A13007-PL-02		

**PE Series:** Worktop with K28 system bores in a 100 x 100 mm grid.

**PL Series:** Worktop with K28 system bores in a double 100 mm x 100 mm grid, resulting in approx. 80 % more clamping options than PE and conventional worktables.

**Professional 700M :** Premium steel S355J2+N / Q355B. Basic hardness: approx. 150 – 200 Vickers.

**Professional 800M :** Through-hardened tool steel. Basic hardness: approx. 270 – 320 Vickers.

All prices are valid for 6 months from the date of sending the email.

This price list is ex factory price. If you need to consult the transportation fee, please provide the detail shipping address.
